

# T&R INTERIOR SYSTEMS WARRANTY

## Grid-Lux

---

T&R Interior Systems guarantees that Grid-Lux LED T-Rail Light is warranted to be free of defects directly attributed to the manufacturing process for the period of 5 years from the date of installation of the product as long as the material is installed and maintained under the conditions set forth below:

- Grid-Lux shall be installed by an approved ceiling contractor in accordance with Manufacturers specifications and installation conditions.
- Installation shall be done in areas free from excessive humidity, chemical fumes, freezing temperatures, excessive dirt or dust build up and vibration.
- Installation shall be done under the conditions where the temperature and relative humidity ranges are 10 to 50 degree °C and 0 to 99% respectively. After the installation, the environmental conditions shall be controlled within said limits.
- Grid-Lux shall not be affected with direct moisture such as leaks or condensation during and after installation. Installation should not commence until the building is closed in, fully glazed, the roof watertight and all wet works completed.
- Grid-Lux shall not be used to support any other materials.
- Prior to installation the Grid-Lux shall be stored in full sealed cartons, in a dry and clean area, enclosed and protected from possible damage by rain, snow, and excessive moisture, as well as protected from possible impact.
- The cartons carrying Grid-Lux should be respectfully handled to avoid deflection, distortion or physical damage.
- Except where stated otherwise on specific product warranties, all warranties cover the original owner of the building at the time of installation.
- T&R also Guarantees all Metal Grid Suspension Systems free from any manufacturing defects for a period of 30 years conditional to the installation being carried out by an approved ceiling contractor to Manufacturers specifications and installation conditions.

This guarantee does not cover the costs of removal or installation of products or any direct, indirect or consequential damage or loss whatsoever.

Following compliance with the above, should any defect be experienced within the warranty period, T&R Interior Systems must be informed in writing within 30 days thereof.
