

T&R GYPSUM VINYL TILE

The T&R Interior Systems Vinyl Foil Gypsum ceiling tile is a versatile, cost effective product that lends itself to a range of suspended ceiling applications. The tiles are supplied in a standard white finish, in a nominal size of 1200 x 600 x 9mm.

Advantages

- Due to the durable and washable finish of the Vinyl Foil tiles they are highly suitable for a multitude of commercial and hygiene applications such as Retail, Fast Food Outlets, Medical and Sports Facilities.
- The moderately embossed facing gives a crisp clean monolithic look which ensures excellent light reflectance.
- Foil backing balances the tile, enhancing its dimensional tolerance whilst increasing thermal properties.
- Tiles should be installed in accordance with the grid manufacturers instructions.
