

ECLIPSE ALUMINIUM Partitioning Suite

The Eclipse Aluminium Partition Suite is a quality, user-friendly group of flexible Aluminium sections and extrusions. Its complete system caters for nearly any variable in an interior office fit-out.

This versatile suite has been designed to work with 64mm and 92mm stud sizes respectively and can be clad with 13mm plasterboard. A separate 45mm suite can be added as a slim-line extension to the 64mm and 92mm sections or can be installed separately as a minimalistic and cost effective alternative.

The suite has clean lines, comes in a selection of various anodised colour finished or can be powder coated to a colour finish of your choice. In addition there are 10 different timber powder coat options.

The suite has great adaptability to meet most functionality and aesthetic purposes. Furthermore, since the product is manufactured in New Zealand, bespoke options are available.

The Eclipse Aluminum Partition Suite includes:

- Eclipse 45mm Suite
- Eclipse 45mm Frontline
- Eclipse 64mm Suite
- Eclipse 64mm Frontline
- Door Suite
- Eclipse 92mm Suite

ECLIPSE ALUMINIUM PARTITIONING SUITE

Eclipse 45mm Aluminium Partitioning Suite

Designed to work in isolation or in conjunction with the Eclipse 64mm, the Eclipse 45mm offers a fine-line design with soft detailing. Again the pocket glazing and snap fix componentry enhances the user friendly nature of the suite, whilst ensuring high aesthetic appeal with the completed installation

Eclipse 45mm Frontline Aluminum Partitioning Suite

A new take on the existing 45mm suite, to add a frontline glazing option for the slimline look.

Eclipse 64mm Aluminium Partitioning Suite

This has been primarily designed around 64mm steel stud to incorporate layers two layers of 13mm Gypsum Plasterboard. The J Mould has been added to the suite to enhance the flexibility and to assist with the trimming off of strapped walls and bulkheads etc. The Eclipse 64mm Aluminium Partitioning Suite offers immense flexibility incorporating pocket glazing and snap fix componentry together with detailing to incorporate the Eclipse 45mm as required.

Eclipse 64mm Frontline Aluminium Partitioning Suite

A frontline glazing addition to the comprehensive 64mm suite, offering an additional ability to double glaze for acoustically sensitive areas.

Eclipse 92mm Aluminium Partitioning Suite

This offers a snap fix componentry that enhances the user friendly nature of the suite, whilst ensuring high aesthetic appeal with the completed installation.
